Leaders in Resource Renewal

**Conduct Effective Recycling Outreach to K-12 Schools and
Learn the Important Role Schools Play in Recycling Program Effectiveness!**
(This workshop is designed for responsible units, municipalities and haulers)

Have you ever done recycling outreach to your local school district? Are you wondering *why would I even bother*, or *why it has BEEN a bother* when you *have* tried? Discover the benefits of working with local schools to strengthen residential and business recycling programs. Learn how to save community tax dollars by partnering through hauling contracts, merchant MRF tonnage, and resources for school administrators, maintenance staff and classroom teachers.
